September 3, 2014

Dear Insurance Carrier/Broker,

Idaho Medicaid's Premium Assistance Program is ending on September 30, 2014. Idaho Medicaid will no longer provide premium assistance through the Access to Health Insurance Program.

We are providing information directly to participants and employers to notify them of the program's end and are encouraging participants to work with their employers if they would like to continue their policy and pay the balance of their premiums each month. Attached is a list of employers and employees that will be affected by this program closure.

Please send your invoice for September premiums to Idaho Medicaid as soon as possible for payment and reconciliation. If you have questions, or need more information, please call Cindy Brock in the Division of Medicaid at (208) 364-1983, or email her at brockc@dhw.idaho.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Lisa Hettinger', with a long, sweeping horizontal line extending to the right.
